## LIFE IN AVIATION

*Carrie Schwausch, Tour Pilot*

Hello! My name is Carrie Schwausch, and I am a tour pilot flying in Juneau, Alaska. I have been a Women in Aviation (WAI) - Alamo City Chapter member for five years. I joined to participate in Girls in Aviation Day and to support my local chapter.

What I love most about being part of the aviation community is flying. I advise someone wanting to become a tour pilot to be patient; it can be a long road, but it is ultimately worth it.

Something that my fellow aviation community may not know about me is that I ride dirt bikes! I am also part of Whirly-Girls, HAI, and 99's.
